**To whom it may concern:-**

We have had the pleasure of having been consulted on, by Aztek Specialized Contractors, recently.

I have found the professionalism and willingness to go the extra mile for their clients, incredibly apparent in a time when failing service delivery is rapidly becoming the norm for several of their competitors.

Greg Horn has been instrumental in providing me with a wealth of information, without hesitation, and has even recommended more cost effective solutions for our businesses, without being prompted to do so.

I can without any reservation, recommend Aztek Specialized Contractors for a no-nonsense solution for all your cleaning needs, big or small.
